CASE CALLED FOR A PRELIMINARY HEARING AS TO VIOLATIONS OF
CONDITIONS OF SUPERVISED RELEASE.

Initial appearance held as well and the defendant was brought before the
Court based on a summons issued by Hon. Justo Arenas, Chief U.S. Magistrate
Judge on October 3, 2006.

Defendant was advised of her rights and charges.

Counsel for defendant informs that they will not be contesting the violations
of conditions of supervised release as so informed by the U.S. Probation Officer.
Requests that the defendant be allowed to remain on release until the date of the
final revocation hearing.

Government's counsel has no objection.

After hearing the parties, Magistrate Arenas makes a finding of probable
cause to have the supervised release term revoked. The case is referred to Senior
Judge Salvador Casellas for the setting of the Final Revocation Hearing.

**The defendant is to remain on release, however, summons is to be
issued once the revocation hearing is set by the Court.**
